## Message from the Director:

### Greetings Covina Families!

Summertime! What a special time of year for so many of us. As kids, we looked forward to Summer with great excitement! No school, no homework, lots of time playing outside with friends, going on vacation with family, or just doing nothing! Summer always included less time with shoes on and more time in water ... whether that meant going to the beach, swimming in a pool, or just getting sprayed with a garden hose, as kids it didn't really matter – we loved it all!

What do you look forward to in Summertime? Is it having time to do more, or enjoying time doing less? Summer 2020 certainly did not include many of the experiences we all look forward to, but Summer 2021 seems a bit more promising! For Parks & Recreation staff, Summer is one of the busiest times of year, and that's just how we like it! It's our time to connect with so many members of our community in so many different ways.

As things continue to improve with the pandemic, we are hopeful to return to the activities that we all enjoy. Working within the guidelines of the current Health Department orders, Parks & Recreation and Library Services staff have put together a full schedule of programs and activities. While some traditional events and programs may look a little different than usual, there are still many opportunities for everyone to enjoy the coming season.

After so many months of the doors being closed to the public, your Covina Library is finally reopening! On June 1, a limited schedule of in-person hours will be offered. We are excited to welcome patrons back into the Library, but must ensure we do so in a safe manner. We appreciate everyone's cooperation with the guidelines that will be in place. We encourage all our families to check out what the Library has to offer this Summer!

Also back this Summer will be Concerts and Movies! While we can't hold the events at the park as we would normally do, thanks to the Covina-Valley Unified School

District, we are able to use District Field so that we can comply with Health Department guidelines. Events will have a small fee, but stadium seating will be reserved for all who register. Won't it be great to enjoy live music again!

After a very successful Spring season, the Aquatics Center at Covina Park will also offer an expanded Summer program. Swim lessons, Swim Team, Lap Swimming, and Lifeguard Prep are all planned. Our Spring Day Camp program was also well attended, and Summer Day Camp will include more fun activities to keep kids active during their days away from school. Swim lessons and Day Camp fill up quickly, so register early!

A full schedule of recreational classes and specialty camps will have something for everyone! Lego® camps and science camps are back, along with dance, fitness, and special interest classes for kids and adults. Our Youth Sports program continues to promote health and physical fitness for our kiddos! T-ball, softball, soccer, and a new multi-sport camp will keep them moving this Summer!

If you're one of those people who look forward to Summer as a "time to do less," then visiting one of our parks is just for you! Relax and unwind on a blanket under a tree, listen to the birds singing or the laughter of kids on a playground, or read a good book while enjoying the sunshine. Whatever peacefulness means to you can be found in your local park.

As always, we continue to encourage our residents to communicate their thoughts and opinions, as your input is essential to our mission. Please contact us at [parksandrecreation@covinaca.gov](mailto:parksandrecreation@covinaca.gov) or (626) 384-5340.

On behalf of the entire Parks & Recreation and Library Services team, I wish all of our Covina families a Summer of fun!

Warmest regards,

**Lisa Evans**

Director of Parks & Recreation and Library Services

# 2021 SUMMER AQUATIC PROGRAM

## Michael D. Antonovich Aquatic Center

Covina Park, 301 N. Fourth Ave.

The City of Covina in partnership with Blueray Management is proud to offer:

### **Safety Precautions**

Program formats have been modified to comply with current LA County Department of Public Health guidelines. Please note the following:

- Parents must assess their child's health prior to coming to lessons each day. **If child is showing any symptoms of illness (cough, shortness of breath or difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, new loss of taste or smell) or elevated temperature, then they must not come to the pool.**
- A health assessment, including temperature check, may be conducted by staff for each participant prior to entering pool deck area.
- Participants must arrive to pool in their swimsuits, as **no locker rooms/changing facilities will be available.**
- Facial coverings are required upon arrival to and departure from the pool area. Parents/Guardians must keep facial coverings on at all times when in pool area.

### **Register by Level**

- Due to current Health Department regulations, assessments will not be conducted.
- Parents must determine the appropriate level in which to register their child.
- Parents should carefully review the skills described in each level. Starting with the lowest level, if the child cannot perform all the skills described in a level, then they should be enrolled in that level.
- Blueray has provided a helpful quick assessment tool on their website at:  
<https://swimblueray.com/swim-lesson-assessment/>
- **If on the first day of lessons it is determined that a child is not in the correct level, then every attempt will be made to place the child in the appropriate class. However, this cannot be guaranteed. The child may need to be transferred to another time or session.**

### **Registration**

**ONLINE:** [www.covinaca.gov/parksrec](http://www.covinaca.gov/parksrec)

**PHONE-IN:** (626) 384-5340

# YOUTH SPORTS

All programs are coed – boys and girls play together. All participants receive a T-shirt.

## FOR YOUR SAFETY AND OURS...

The City has restructured our Youth Sports and Outdoor Fitness Camp to accommodate appropriate physical distancing, increased cleaning protocols, and implemented new safety measures, while continuing to provide a high-quality, skill-building program for all participants. All programs have been modified to meet the guidelines provided by the Los Angeles County Department of Public Health Orders. Facial coverings/masks are required.

## EQUIPMENT REQUIREMENTS

All programs require participants to wear closed-toe athletic shoes (soccer, t-ball/softball, and football cleats are recommended).

**Soccer (5-12):** Shin guards required

**Dates:** Now-the first week of program or until filled

## REFUND POLICY

Full refunds may be requested prior to the first day of the program. Prorated refunds are provided if requested after the first day of the program, but before the second day of the program. No refunds are provided after the second day of the program has taken place, regardless of whether it has been attended or not.

## T-BALL & SOFTBALL

### LITTLE TOTS T-BALL - AGES 3-4

The Little Tots program provides 3-to 4-year-olds with a fun and exciting noncompetitive environment in which they can experience sports for the first time. Camp style sessions are focused on each child's individual skill development. Conditioning will be woven throughout the program to improve overall fitness levels and develop individual stamina. Participants must be age 3 by the first day of the program - NO exceptions!

### T-BALL & SOFTBALL - AGES 5-8

The 5-6 years and 7-8 years t-ball and softball programs provide instruction and fun for participants in a noncompetitive atmosphere. The first four weeks will focus on developing catching, throwing, and hitting skills. The remaining four weeks, to further develop skills, scrimmage games will be played. Sessions are led by trained staff who emphasize each child's individual skill development by raising self-esteem and developing a joy for the sport.

## SOCCER

### LITTLE TOTS SOCCER - AGES 3-4

The Little Tots program provides 3-to 4-year-olds with a fun and exciting noncompetitive environment in which they can experience sports for the first time. Camp style sessions are focused on each child's individual skill development. Conditioning will be woven throughout the program to improve overall fitness levels and develop individual stamina. Participants must be age 3 by the first day of the program - NO exceptions!

### PARENT AND ME - AGES 18 months-3 years

The Parent & Me program for children 18 months-3 years focuses on developing participants' motor skills as well as beginning to build the basic skills specific to each sport. Coaches guide each parent/child group through a variety of fun exercises and games that encourage positive play and socialization in a physically distant way. Participant safety is our number one priority and all parents are asked to wear a mask while participating and to maintain appropriate physical distance while participating in the program.

### SOCCER - AGES 5-12

The 5-8 years and 9-12 years soccer camps provide instruction and fun for participants in a noncompetitive atmosphere. The first four weeks will focus on developing passing, dribbling, offensive and defensive skills. The remaining four weeks, to further develop skills, scrimmage games will be played. Sessions are led by trained staff who emphasize each child's individual skill development by raising self-esteem and developing a joy for the sport.

**Location:** Hollenbeck Park, 1250 N. Hollenbeck Avenue

# Community Engagement

## Facebook

## Instagram

At a time when interacting in person is not always possible, Covina Police Department (CPD) has worked to augment our digital presence. CPD understands the power of a digital presence and that it can improve public transparency, relay safety information, and communicate with members of the community. Staff enjoys interacting with our community members through our social media platforms.

The community engagement team works to develop creative informational content and explore new ways to engage with our community. You can find CPD on social media platforms including Facebook, Instagram, and Twitter. Look to these to find important department updates, crime prevention tips, and community events in real-time. If you'd like to connect with your Service Area Lieutenant, follow their social media accounts! In fact, many CPD staff members have social media accounts that you can follow for information. Just a reminder that none of CPD's social media pages are monitored 24/7, so please do not

use comments or direct messages to communicate emergencies. Our Communications Center operates 24/7 and handles all emergency and non-emergency calls for service including Text-to-911.

Coming soon...is a new CPD website that is currently under construction. The new site will be accessible from a desktop, tablet, or even your smartphone. When visiting our new site, you will be able to read messages from Chief of Police David Povero and get to know our staff better. Our new website will include updated photos, videos, and easy to use links to access our social media platforms. More importantly, there will be links to online services and answers to common questions about services and programs, including job opportunities at CPD. Our new website will definitely be one you'll want to visit for contemporary information.

Don't forget to follow us online and through social media and stay connected with everything happening here at Covina PD.

## Twitter

You can find us on social media at:

Our new website should launch in May 2021 at **CovinaPD.org**

# Detective Bureau

A uniformed officer is often the first image people think of when hearing the words Covina Police Department. However, there are many facets to public safety, and detectives play a critical role in completing our mission. Detectives follow-up in person, over the phone, through surveillance, and/or through preparing and executing search warrants. Their typical uniform is professional business attire, or other non-uniformed clothing. Once an investigation is complete, detectives may prepare cases for the Los Angeles County District Attorney for criminal filing consideration. They also follow cases through the court system and provide testimony.

The Detective Bureau is led by a lieutenant, two sergeants, ten detectives, and six professional team members. Crimes Against Persons detectives investigate assaults, domestic violence, robberies, and homicides. Covina Police Department (CPD) is proud to maintain investigative expertise, but we also work with other partners such as the coroner, crime scene specialists, and victim advocates. One detective is assigned to investigate crimes involving sexual assaults, child abuse and crimes

involving juveniles. This detective works closely with our part-time Community Services Officer who is our victim advocate and Youth Accountability Board Coordinator. CPD participates in the County's Internet Crimes Against Children Task Force. Crimes Against Property detectives investigate burglaries, thefts, fraud, and vandalism. They are assisted by a general crimes detective who also handles missing person cases. Community Impact Team (CIT) detectives investigate quality of life issues along with gang and narcotic offenses. CIT detectives problem-solve crime proactively and can assist other detectives in apprehending suspects. CPD has two detectives assigned to the LA IMPACT regional task force. These detectives work cases throughout southern California and bring regional assets to crime trends in Covina. The Detective Bureau is supported by professional staff such as the Court Liaison Officer who manages cases between CPD and the courts. A part-time Associate Planner reviews plans, permits, and events in the City, and a Community Service Specialist works as a crime analyst, crime prevention officer, and community engagement member. One Records Clerk handles all the report preparation.
